Her book on courtroom presence is due out next year. She blogs regularly about trial technique and courtroom communication at: www.attorneywhisperer.com.

What Lawyers are Saying:

Law school teaches lawyers to think, but not communicate. Sari teaches you to communicate. She is fantastic at helping you simplify and deliver your message in a manner that is authentic, understandable and comfortable for both you and your audience.

- John Coletti, Inner Circle Member

Trial attorneys are trained by some of the best in the field on what to say. Sari, however, is the best at training trial attorneys on how to say it.

-Tom D'Amore, Attorney
