

WE'RE NOT GONNA TAKE IT

COMMUNICATION TECHNIQUES FOR BAD-ASS WOMEN

Let's be honest: the world is changing, especially for women. This is an extremely exciting time as well as an unprecedented one in history. Women are standing up like never before and saying, "We're not gonna take it!"

Perhaps you wish you could join your voice with the women who are already speaking up, or maybe you're out front leading the rally cry. In either case, Sari de la Motte can help make sure your message is nonverbally on the mark so that you communicate like the bad-ass you really are.

You'll learn

- How to **speak so others will listen**
- How to nonverbally **add weight to your message**
- What **key phrases to avoid** that many women overuse to their detriment
- How to **silence the voices** that hamper your success
- How to be a bad ass while **keeping your cool**
- **Ways to increase your credibility** even when you're not in a position of leadership
- ...and more!

Sari de la Motte is a nationally recognized presentation coach, speaker, and trial consultant. She has trained extensively with an internationally recognized authority in nonverbal communication and is an expert in nonverbal intelligence. You can learn more at: www.saridlm.com
